Nature Of Opinion

Docket Number: E-01933A-16-0038

Docket Position: Against

I want to reject all 3 fee hikes, The Flat Fee, the Usage Rate fee and the demand charge fee should NOT be increased. Do not penalize people who are trying to help the environment by TEP request to go to Solar and now being charged just as much if not more than we were paying before solar was put on our home. Increasing the fees will make people move away from Tucson. You already have a severe problem with the schools being so bad that people wont move here. Don't raise the fees we pay for electricity.
